

Journeying Together to Sources of Hope

Join young adults from different parts of the world for
a pilgrimage to the Holy Land from May 8th to May 15th 2022.

A time:

- to search together at the wellsprings of faith.
- to pray together at important biblical sites.
- to discover the challenges and hopes of the people of the Holy Land.

**A pilgrimage organized by the Taizé community in collaboration with
the Tantur Ecumenical Institute (Jerusalem) and the Churches of the Holy Land.**
